

IMMUNIZATION

The Board of Education requires that all students be properly immunized pursuant to the provisions of the State Health Department regulations.

Students in grades K-6 who do not meet the immunization requirements on the opening day of school shall not be admitted to school, if the District is under a ninety-nine percent (99%) compliance level. Transfer students shall be granted thirty (30) days in which to submit proper evidence of required immunizations.

Exemptions to the immunization requirements shall be granted only for medical, religious, or personal convictions.

The District Administrator shall establish administrative guidelines to implement this policy and comply with State law and shall report to the County District Attorney the names of any students who have not completed the immunization requirements or submitted a written waiver within sixty (60) days of admission.
