

Beaver Dam Unified School District Vision: All Beaver Dam students will excel in all academic areas, will develop social skills, will demonstrate enthusiasm for life long learning, be of good character, and be a contributing member of society.

To this end, the District will:

Work to increase two-way communication with all stakeholders in our learning community. We will document our communication efforts in the areas listed below.

- Parents
- Community Members
- Students
- Staff
- Board inter-communication
- Communication between Board and Administration
- Communication between all grade levels 4K-12

Increase the level of academic achievement in all grade levels, for all students by...

- Creating a district dashboard of data
- Identify student achievement goals
- Focusing board meetings on student learning
- Reviewing graduation requirements
- Providing focused teacher training
- Analysis of academic rigor within district curriculum

Will create an 18-month rolling action plan with a five-year vision to address facility needs, with a continual focus on fiscal responsibility. The plan will contain...

- 6 month update to rolling action plan
- Address South Beaver Dam and Trenton facilities
- Deferred maintenance plan
